## **Board Member Resignation**

The Board believes that any citizen who files for and seeks election to the Board should do so with full knowledge of and appreciation for the investment in time, effort and dedication expected of all Board members, and that the citizen's intent to serve reflects his or her intention to serve a full term of office.

If for reasons of health, change in domicile, or any other reasons, however, a member does decide to terminate service, the Board requests earliest possible notification of intent to resign so that the Board may plan appropriately for the continuity of Board business.

A resignation becomes effective when officially accepted by the Board at its next regular meeting. The Board will announce the resignation and declare the vacancy at that meeting.

The Board will determine procedures to be used in filling the vacancy. The Board may begin a replacement process and select a successor prior to the effective date of resignation; however, the actual appointment shall not be made before the resignation date.
