

# Seaside School District 10

Code: **DB**  
Adopted: 7/26/07

## District Budget

As the master plan for administering District finances, the budget is the most important financial document of the school system. The annual budget is a statement of all anticipated revenues and the plan for expending them, based on accurate costs plus intelligent estimates.

The District budget will be prepared and authorized in full compliance with the local budget law. The superintendent will be designated as budget officer and will prepare the budget document.
