

Seaside School District 10

Code: **EBBAC**
Adopted: 7/26/07

Treatment of Severe Allergic Reactions

The school health nurse will conduct an educational training program for treating a person suffering severe allergic response to an insect sting or other allergens as defined by the Oregon Department of Health and Human Services, Health Services. This program shall follow the guidelines described in ORS 433.805 to 433.830 and OAR 333-055-0000 to 333-055-0035. The written order to conduct this program will be obtained by a physician licensed to practice medicine in the state of Oregon and kept on file.

Each District building will have identified staff members who have successfully completed the training program.

Persons receiving training shall possess and maintain a first aid card.

Epipens with premeasured syringes of epinephrine will be kept in each building office and/or health room. Additional kits will be available for out of building activities.
