

# Seaside School District 10

Code: **GBB**  
Adopted: 7/26/07

## Staff Involvement in Decision Making

The Board will encourage employees to contribute their ideas for the betterment of the District. The staff will be asked to help in planning curriculum, services, and facilities.

In devising rules and procedures for the operation of the schools, administrators will seek the suggestions of those employees who will be affected by such provisions. The professional staff will be given opportunities to contribute to curriculum development and instruction.

The superintendent will develop channels for the communication of ideas among staff, administrators and Board members, and will inform the Board of staff opinion when appropriate in presenting recommendations for Board action.
