## **Early Graduation\*\***

A student who, for sound educational and vocational reasons, wishes to graduate from high school in less time than the ordinary grade 9-12 sequence may request permission to complete graduation requirements on an altered schedule. The student and his/her parents will consult with the high school principal in order to develop a graduation plan. Their intention to accomplish this plan will be stated in writing to the principal.

A student who has successfully completed the junior year with fewer than the required credits for graduation, and is then accepted at an accredited college or junior college, may receive his/her high school diploma if, at the completion of the first term, he/she is in good scholastic standing at the college.

The requirements and procedures will be set forth in the high school graduation requirements booklet.
