

Seaside School District 10

Code: **JECA**
Adopted: 7/26/07

Admission of Resident Students

Resident school-age students who live within the District attendance area may attend school without paying tuition. A student is considered a resident of this District for the purpose of attending school:

1. If the student resides in this District with his/her parents or guardian and is between the ages of five and 19.
2. If the student is placed in the District as a ward of the court or by action of a public or private agency.
3. If the student is considered legally emancipated from his/her parents.
4. If the student is a participant in a foreign exchange program approved by the Board.

Residents over age 19 who have a diploma may be admitted with approval of the superintendent and upon payment of tuition at the rate established by the District. Students who turn 19 years of age during the school year shall continue to be eligible for a free and appropriate public education for the remainder of the school year.

The Board will admit otherwise eligible students who have not yet attained 21 years of age prior to the beginning of the current school year if they are receiving special education services.

Students with disabilities voluntarily placed outside the home by their parent or guardian may continue to attend the school the student was attending prior to the placement as a District resident when the student's parent or guardian and school staff can demonstrate it is in the student's best interest.

The Board will deny regular school admission to students who have become residents and who are under expulsion from another District for reasons other than a weapons policy violation.

The Board shall deny for at least one calendar year from the date of the expulsion regular school admission to students who have become residents and who are under expulsion from another District for a weapons policy violation.

The Board may provide alternative programs of instruction to students expelled for a weapons policy violation.
