

Seaside School District 10

Code: **JHCB**
Adopted: 7/26/07
Revised: 2/16/16

Immunization of Students**

No student will be allowed to enroll or continue school attendance without first presenting evidence of compliance with Oregon Revised Statutes and Oregon Administrative Rules requiring immunization.

The building administrator/designee is authorized to exclude any student from school attendance for noncompliance with the statutes and rules. The building administrator/designee will notify the parent or guardian of the reason for the exclusion, stating that the student will continue to be excluded until the student has complied with the requirements.

The District will comply with the State Health Division rules related to the District's immunization registry and the associated tracking and recall systems. This compliance will include the waiver of the requirement of consent for release of information and the waiver of issues of confidentiality in regard to immunization records.

The policy is in effect for all students who do not have documented medical or non-medical exemptions.
